

Zoom Voting Instructions

1. When voting is about to begin, ensure that you have the Zoom window open on your computer.
2. The meeting host will launch and a voting window will pop up on your screen, showing the question and voting options. Below is an example of what this voting window looks like:

The screenshot shows a Zoom Polls window. At the top, there is a green header bar with the word "ADDIE" in white. Below the header, the question "1. Which does 'ADDIE' stand for?" is displayed. There are four radio button options listed below the question:

- ☐ Analyse, Develop, Design, Implement, Evaluate
- ☐ Analyse, Design, Develop, Implement, Evaluate
- ☐ Analyse, Design, Develop, Interpret, Evaluate
- ☐ Analyse, Develop, Design, Interpret, Evaluate

At the bottom of the window, there is a blue "Submit" button.
